

French and Indian War Timeline Project

8.19 Describe the causes, course, and effects of the French and Indian War

You and your partner will create a timeline of the French and Indian War. Each event should have an image that goes along with it. They **MUST** be in the correct order or your timeline will not make sense. You should have a total of EIGHT (8) images. Each of your images should have a short caption that goes along with it. You may use the internet, textbook, or notes to find your information. You will be graded based on the following rubric.

8 Images that show cause/course/effect of the war	_____	/32
Each image has a caption/description	_____	/32
Timeline is in number and event order	_____	/13
Correct information used	_____	/13
