SSEIN2: Trade Block Brochure

Directions: You will be acting as a member nation of one of the main trading blocks. It will be your job to convince other nations to join your block (pro free trade) OR you will be trying to convince your country to leave the trading block (con free trade). Your brochure will include a brief history of your trading block, the list of member nations of your trading block, the outside trading partners with your trading block, and your argument for or against the trading block. Be sure to have correct information about your trading block and fill the page with writing or images.
