

Wanted Poster

- You will create a Wanted Poster for one of the people we discussed in the Massachusetts Bay Colony (Roger Williams, Anne Hutchinson, Thomas Hooker, or witches from the Salem Witch Trials).
- You may choose which person you make your poster about.
- Be sure to include the following pieces in your poster:
 - The heading must be WANTED
 - Must have a PICTURE...these are usually hand sketches
 - Give details about who it is and why they are “wanted” people (what was their crime)
 - Include their famous quote
 - Must have a price for their capture (can be dead or alive)
